WE HAVE MEAL TIME COVERED

## MEAL PICK-UP INFORMATION

- **Do I need to fill out a meal application?**
  - Yes! Only students who qualify for Free/Reduced will receive a free breakfast & lunch; all others will be charged for lunch daily. Applications collect data for critical funding for the entire district.
- **Do I have to be in a vehicle to pick up meals?**
  - Whether you walk, bike, ride or skate, we are happy to serve you! Please remember your mask!
- **Who in my household qualifies for meals?**
  - Any enrolled student in Englewood Schools is invited to participate in meals.
- **What do I need to bring?**
  - You will need a student ID for each student you are picking up for. Can't find your student ID? Don't worry, we can help! Just know your student's name or ID number and what school they are enrolled in. We will have a temporary ID ready for you the next day.
- **I have students at multiple schools in the district. How do I pick up meals for all of them?**
  - You can pick up meals for all of your students at any grab & go site that is convenient for you.
  - Make sure to bring a student ID or student number for each student.
  - Only pick up at 1 location each day.
- **My student does not qualify for Free/Reduced Lunch. How do I put money on their account to pick up meals?**
  - You can always make online payments with a credit card at MySchoolBucks.com
  - Need to pay with cash or check? Absolutely! We have envelopes at each site for you to fill out at meal pick-up. Please note, we will not be able to give monetary change for cash deposits. Cash/check deposits will be posted to student's account within 24 hours of deposit.
- **My student has an allergy or diabetes. How do I find out allergens or carbohydrate amounts?**
  - Our menus are posted online at Englewoodeats.com
  - Menus outline allergens and carbohydrates for our students who need to know that information.
  - Menus are subject to change based on availability.
  - Contact Katie Cossette, RDN, SNS at katie\_cossette@engschools.net to see if your student's dietary needs are eligible for a modified menu plan.
- **My student is enrolled at ECE at Maddox. Can they get a meal too?**
  - Certainly!
- **Tomorrow is a holiday, can we still pick up meals?**
  - Unfortunately, we can only distribute meals on days that scheduled for learning.
- **Can I pick up more than 1 day of meals at a time?**
  - At this time, we will only be distributing meals 1 day at a time. If changes are made to the meal distribution pattern, communication will be sent to our families of necessary changes.
- **My student at an open site ate lunch at school, can I also pick up a bag?**
